LATITUDE

Before operating the awning, carefully review the Owner's Manual. The manual contains important safety information, detailed operating instructions, common maintenance procedures and other useful information.

 3. Click on the "Technical Documentation" tab to review, download and/or print a copy of the Owner's Manual.

GENERAL OPERATION

⚠ WARNING AWNINGS ARE DESIGNED TO PROVIDE SHADE AND PROTECTION FROM THE SUN. THE EFFECTS OF WIND AND RAIN ON AN AWNING ARE UNPREDICTABLE AND CAN CAUSE SEVERE DAMAGE TO THE AWNING AND/OR THE VEHICLE. IF WIND OR EXTENDED PERIODS OF RAIN ARE EXPECTED, ROLL UP THE AWNING.

⚠ WARNING KEEP ALL SOURCES OF HEAT AND FLAME AWAY FROM THE AWNING CANOPY. FABRIC IS NOT FIRE-PROOF AND CAN BURN IF LEFT IN CONTACT WITH ANY FLAME OR HEAT SOURCE.

⚠ CAUTION It is recommended that if leaving the RV unattended for a length of time, retract the awning to avoid unexpected climate conditions.

⚠ CAUTION The Latitude awning is a free-standing (self-supporting) lightweight awning with auto retract. Do not hang items from the awning or use tie down devices. Use of such objects can cause serious damage to the awning that is not covered by warranty.

DIRECT RESPONSE:

⚠ WARNING THE CAREFREE DIRECT RESPONSE SYSTEM IS A PREMIER ELECTRONIC AUTO-RETRACT SYSTEM THAT PROVIDES PROTECTION AGAINST ADVERSE ELEMENTS; BUT NO AUTO-RETRACT SYSTEM IS A GUARANTEE AGAINST SEVERE OR DESTRUCTIVE WEATHER; THE EFFECTS OF WIND AND RAIN ON AN AWNING ARE UNPREDICTABLE AND MAY CAUSE SEVERE DAMAGE TO THE AWNING AND/OR VEHICLE. IF WIND OR EXTENDED PERIODS OF RAIN ARE EXPECTED, ROLL UP THE AWNING.

IMPORTANT NOTE: The auto-retract system is ON when the power is ON. The system is OFF when the power switch is set to OFF. If the power is shut off while the awning is extended, the awning is not protected by the auto-retract system.

QUICK START

To Open the Awning:

- Press the power switch to ON. When power is on, the Direct Response system is active and the manual controls are active. When power is OFF, all functions are disabled.
- Press and release the extend switch. The awning will open completely. To interrupt the awning retraction, press and release the extend switch again. The awning will stop.

To Close the Awning:

- Press and release the retract switch. The awning will close completely. To interrupt the awning retraction, press and release the retract switch again. The awning will stop.
- When the awning is in the retracted (rolled up) position, shut off the power switch to avoid accidentally extending the awning.

It is strongly recommended that repairs and/or service not described in the owner's manual be performed by trained technicians at your Authorized Carefree Dealer. Work performed by non-authorized persons or businesses may void warranty.
