

Color Reference Guide

Premium Vinyl Fabrics

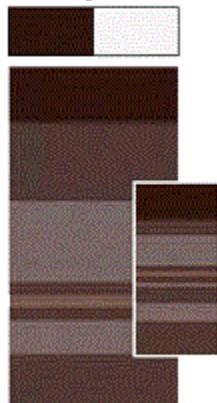

Our premium vinyl awnings are made with a 15oz vinyl and are double-hemmed with long-lasting Gore Tenara thread. They are embedded with an antimicrobial agent to stand up against mildew. Built to last, these fabrics stand up to the light, weather and cleaners better than any other fabric and carry a 10-year warranty (see individual product warranty info for more detail). This 10-year warranty is for parts and freight, 1 year for labor.

Carefree Acrylic Fabric for All Awnings

With only minimal care acrylic fabrics will not rot, mildew or deteriorate. The vivid color can't be removed or washed out because the color pigment is actually in the thread, so the color runs all the way through. The fabric keeps its beautiful color for years. It won't crack, peel or harden. Acrylic fibers are very strong and extremely durable.

Beige (TU-R100)

Cadet Gray (10-R138)

Captain Navy (38-R175)

Green (UY-R163)

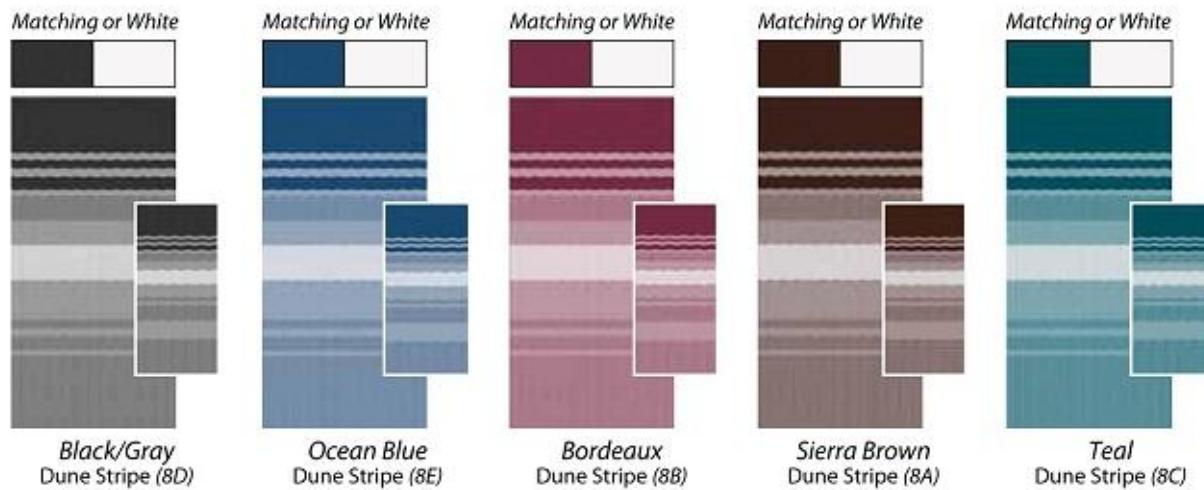

Linen Tweed (EA-R775)

The following vinyl awnings are made with a 13.5oz vinyl and are single-hemmed with traditional fabric thread. Built to last, these fabrics are more durable than competitive awning brands and carry a 1-year warranty (see individual product warranty info for more detail).

This includes Dune Stripes, Quill, Shale Fades.

Dune Stripes (Double-Sided Fabric)

Quill (Double-Sided Fabric)

Shale Fades (Single-Sided Fabric)
