WHY PIN HOLE PRO

Small voids (pin holes) are a natural characteristic of vinyl fabrics. Pin Hole Pro eliminates unnecessary canopy replacements—saving time, reducing waste, and minimizing warranty claims.

SIMPLE 3-STEP APPLICATION

1

Clean the area to be repaired.

2

Apply one drop* directly over the pin hole.

**Larger voids may require 2-3 drops*

3

Allow to dry for 10 minutes.

**Dries flexible.
Bonds permanently.
Ready to roll.**
